To Whom it May Concern:

Re: Gordon + Gordon Group Inc.

The Town of Bracebridge recently engaged Gordon+Gordon Group Inc. to work with Bracebridge Town Staff in the development of the Capital Financing and Operating Business Plan for a Multi-Use Community Facility that encompasses an Arena, Library, Field House and Community Auditorium.

Although we are early in the process and project timeline, as presented by the consulting team of Gordon+Gordon Group, the preliminary request for information, start up meeting and the first briefing session to review and refine the information as presented in the preliminary request have been informative, engaging and strategic.

The consulting team is well organized, knowledgeable and their combined years of experience from diverse backgrounds is beneficial in the development of the Capital Financing and Operating Business Plan.

Please feel free to contact me if you have further questions regarding the Town's experience working with Gordon+Gordon Group Inc.

Sincerely,

Cindy O'Regan
