

BRIGHTER WORLD

To: Whom It May Concern

I am happy to write this recommendation letter in support of Andrew Gordon and GGGI.

GGGI provided services in relation to construction schedule assessment, contractor resource assessment, risk assessment and evaluation of progress on site for a key project. As well, scope of work included providing recommendations on mitigation measures and strategies to ensure timely completion of project.

Andrew and his team were professional, thorough and provided a comprehensive report on the status of project. The recommendations they provided were insightful, practical and impactful.

I have no hesitation in recommending Andrew Gordon and his team at GGGI to provide these services.

Sincerely,

A handwritten signature in black ink that reads "Lalita G".
